accounts of the World Bank (Planet Earth, in the code UN classification code "M0"), We have the right to any action in the financial system.

To remind that by the grace of God, the transition of the global financial system to our control is inevitable, no matter what efforts all the managers around you take.

Regarding the submitted Cease and Desist, we have declined acceptance of this document.

To remind that your side initially assumed responsibility and obligations to carry out all stages of the transaction yourself, in this regard, your side signed three fundamental documents (agreements), despite the contradictions in the drafting, we agreed with your side execution of all stages of the transaction. Further, after signing, your side changed the terms orally, assigning part of the obligations of the transaction to us. In this regard, in order to assist us, your side have repeatedly promised to integrate *the Sovereign Bank the Sovereign Military Hospitaller Order of Saint John of Jerusalem, Rhodes and Malta* in interbank systems for us, with the opening of the access to the clearing systems for the transaction - the fulfillment of this promise was not followed despite of your side assurance. We made our own efforts to find a connection accesses, but as we were limited in time, we encountered certain difficulties of the human factor.

We protest sending notifications with a package of transaction documents to the organizations, the list of which your side attached to Cease and Desist, your side was obliged to initially inform us of all participants in the transaction. We require your side to provide us with a package of documents sent by your side.

Your side actions are considered as unilateral termination, and here it is necessary to pay attention that the provisions of the contract stipulate a certain procedure for unilateral termination, and there is a violation on your part.

Your side actions reflect the opinion and position of all systems standing with your side, both before Monetary One and before the Divine Throne, we will study all actions and intentions, taking into account promises (which we consider as a "word of honor") and actions and take appropriate decisions and actions according to the Divine CONes (DIVINE CREATION LAWS) in relation to each direct or indirect participant.

Following the execution of Resolutions № 11 «The International Treasury Monetary One, as a Global Regulator, the Owner of all Global and Historical financial assets, proclaims the CONE of CREATION (DIVINE CREATION LAWS) binding on all subjects of Law in the World. All financial and economic activities of all subjects of Law in the World must be carried out in accordance with legal international norms within the CONE of CREATION (DIVINE CREATION LAWS)», by the grace of God, on the Rights of the Heritage, being

the Freeborn, God-born and God-bearing, to whom all power on Earth belongs from God, we confirm the beginning of the “Last Judgment of God” and the “End of the World” for everyone who does NOT obey the Divine Will and begins to ignore the call of God, because for who gives heed and who responds will receive eternal life and the Right of further spiritual development according to the Divine CONes (DIVINE CREATION LAWS) in the Worlds of Light.
